

SOLODEGUITAR

From Paris and Antananarivo, Solo Razafindrakoto is a songwriter and a guitar virtuoso, a semi-improviser with a deep sense of groove. On stage, in addition to play and sing, the sounds he produces with his mouth, his feet and even his nostrils give to his musical universe a unique concept and an unforgettable experience for the audience.

His SOLODEGUITAR show is a permanent musical journey between Paris and Antananarivo +North America. As an accompaniment to his compositions, is projected on a screen a slide show - selfies of guitar - or approximately 1300 pictures, taken on tours around the globe, illustrating his wanderings, always accompanied by his inseparable little guitars.t.
